Awake in the dark
Dreaming of day
Skating my life away
On impossible ice
But I didn't know
Why do I hate me so?

Burn into ash, ash into dust
Aren't these the gods we trust?
Gone out of their minds
In for the kill
But I can remember still...

Days gone by
Welcome to the dregs of my mind
Right on time
Welcome to the dregs of my mind
Welcome to the dregs of my mind
Welcome to the dregs of my mind

Thought of a lie, and
Thought of a bomb
Thought if I played along
That I might slip away
And out on my own
Guess that I should've known

As bullets divide flesh of the sky

Sunlight goes bleeding by
Gone out of their minds
In for the kill
But I can remember still...

Days gone by
Welcome to the dregs of my mind
Right on time
Welcome to the dregs of my mind
Welcome to the dregs of my mind
Welcome to the dregs of my mind

Burn into ash, ash into dust

Aren't these the gods we trust?
Dreaming awake
What can I do?
What ever happened to...

Days gone by
Welcome to the dregs of my mind
Right on time
Welcome to the dregs of my mind
Welcome to the dregs of my mind
Welcome to the dregs of my mind
