The darker side of night
When the arrow finds you
A lurker on the street
Turning an empty cup
Time is short at best
And now that the wolves surround you
The better half of me caught in the middle of

Don't stop
Save me
Ave Marie
Okay
Alright
Rages on and on and on...

And on, I will never forget what you've done
Called the cops on me

You know we gave you all we had
And still the arrow finds you
Better half of me caught in the memory of
That stupid game where you pretend to die
Still I could taste the tears from my eyes
Because if ever it were true
Well I wouldn't know what to do

Don't stop
Save me
Ave Marie
Okay
Alright
Rages on and on and on...

And on, I will never forget what you've done
Called the cops on me

We gave you all we had
The better half of me caught in the middle of

(So stop it) Don't stop
(Go away) Save me
(They'll keep 'em coming) Ave

(But not for nothing) Marie
(Is anybody) Okay
(Is anybody) Alright
Rages on and on

(So stop it) Don't stop
(Go away) Save me
(They'll keep 'em coming) Ave
(But not for nothing) Marie
(So tell me something) Okay
(Is anybody) Alright
Rages on and on...

And on and on and on and on and on and on and on and on
and on
On and on and on and on and on and on and on and on
Called the cops on me

You know we gave you all we had
And still the arrow finds you
The better half of me
