Behind your face
That's where the world is
That's where everyone lives
Where you shave your head
Send the text
Channel the dead

Fight or flight
I can't tell wrong from right
Fight or flight
You can't tell wrong from right

We didn't know what we thought we know
Oh oh oh
Ah ah ego come ego go

Leader of the theater of the dark arts
Was outside of her arena
She was smoking drugs
Playing with bugs
We acted like we'd never seen her

Fight or flight
I can't tell wrong from right
Fight or flight
You can't tell wrong from right

Behind your face
That's where the world is
That's where everyone lives
Behind the face
That's where the world is
That's where everyone lives
Behind your face
That's where the world is
That's where you've done what you did

Fight or flight
You can't tell wrong from right
Fight or flight
I can't tell wrong from right

We didn't know what we thought we know
Oh oh oh
Ah ah ego come ego go
We didn't know what we thought we know
Oh oh oh
Ah ah ego come ego go
I didn't know what i thought i know
Oh oh oh
Ah ah ego come ego go
We didn't know what we thought we know
Oh oh oh
Ah ah ego come ego go

Ah ah ego go
Ah ah ego go
