Chorus:

No-one know wha mekes me, me,
Who I am,
What I can be.
No-one knows my secret dreams,
My needs and hopes,
My fears and screams.

I am unique - just like everyone else .

No-one really knows me,
No-one ever will,
I'm just sitting on the fence,
and time is standing sill.
My life is a facade,
I cannot let you in,
I cannot speak my mind,

Let out what's within.

Chorus

I've climbed up too far,
On a cliff way too tall,
I cannot reach your hand,
For fear that I may fall.
The human race is running,
But I've been left behind,
I feel lost in the dark,
But really I'm just blind

Chorus.
