So hot I get, It's getting hot so hot up here oh are
we dancing by the fire dancing by the fire
It's getting hot so hot up here oh are we dancing by
the fire dancing by the fire

Damn it's so comfy I just can't get away
Mama she always told me watch out I'm gonna get hurt
one day
But I dance with my eyes and shadows of the night I'm
addicted to this streets
And I know that I play with a ,
I'm in love with a man with a surrounded with desire to
think about fire
I'm in love with a man with a surrounded with desire to
think about fire
I'm in love, I'm in love, I'm in love, I'm in love

It's getting hot so hot up here oh are we dancing by
the fire dancing by the fire
It's getting hot so hot up here oh are we dancing by
the fire dancing by the fire

Step back, step back, keep it on the sweat, put it on
your skin
The way you move I think you're that ...who I've never
been
I am looking for a little mess to rock I just know
I wanna get down, get down
Cause I know that I'm in love
I'm in love with a man with a surrounded with desire to
think about fire
I'm in love with a man with a surrounded with desire to
think about fire
I'm in love, I'm in love, I'm in love, I'm in love

It's getting hot so hot up here oh are we dancing by
the fire dancing by the fire
It's getting hot so hot up here oh are we dancing by
the fire dancing by the fire

Si mademoiselle , les Americains ...si tu met en grand...

, dance ave moi, ...pour moi , fire, fire, fire

It's getting hot so hot up here oh are we dancing by
the fire dancing by the fire

It's getting hot so hot up here oh are we dancing by
the fire dancing by the fire

In love in love in love yeah.

Thanks to Andrei
