

## Zambonis, The "Hockey Holidays"

All I really want for Christmas  
are some brand new shoulder pads.  
To protect me from the enemy  
when he crosschecks me really badly.  
I would be irate.  
You'd expect me to be retaliate.  
But to his suprise I look him in the eyes and say,  
"Happy holidays."

You know Christmas time is stressful times for all.  
Mall's packed, traffic jams.  
Family get-togethers way too out of hand.  
Pick up hockey's just way too crowded.  
And I know...I know.  
I know that you want to take your stick and wrap it over  
somebody's head.  
But you've gotta think twice.  
Try to be nice and remember to say,  
"Happy holidays."

Happy holidays.

(Take it Eric...Lindros)

So let's remember it's December  
before we drop the gloves.  
Even goons like yourself  
deep down need to be loved.  
So lower you high stick  
and remember jolly old Saint Nick  
Hey you big idiot, happy Holidays.

Hockey holidays.  
Hockey holidays.  
Hockey holidays.

(Hockey holidays everybody.)
