skating by the blueline  
that's when I saw your green light  
so I took my wind up for slapshot love

slapshot love  
slapshot love  
slapshot love  
into my heart

so I went running  
without my skates on  
then I fell for slapshot love

slapshot love  
I wanna slapshot love  
slapshot love through my heart

put on the red light  
put on the red light  
put on the red light  
put on the red light for me

put on the red light  
put on the red light  
put on the red light  
put on the red light for me

well I've been skating a little in a v?  
skating all night long trying to  
improve my game  
I've been skating here all night  
skating all day all night  
waiting till the morning light...  
and slapshot love

slapshot love  
slapshot love  
slapshot love  
into my heart

slapshot love

I wanna slapshot love  
slapshot love into my heart

put on the red light  
put on the red light  
put on the red light  
put on the red light for me

put on the red light  
put on the red light  
put on the red light  
put on the red light for me
