no one, no one  
no one, no one...(yeah)  
no one, no one  
no one, no one...(yeah)

It's been so long  
since you've been gone  
that I can't wait to gettin' back with you  
I don't know why  
sometimes I cry  
when i don't have you here by my side

Baby tonight (baby tonight)  
it feels so right  
I can't believe that i'm here with you

[chorus]  
So into you  
no matter what i do  
i'm so into you  
i'm so into you, baby  
so into you  
no matter what i do  
i'm so into you  
i'm so into you, baby

it's been so clear  
since i've been here  
that i would give everything for you  
i don't know how  
i found your heart  
but it felt like it was right from the start  
i wish i knew  
or had a clue what makes your heart just sing to me

[chorus]

baby tonight  
from the moment i look in your eyes  
your love felt just right  
you're everything my world has been  
open up your heart

and let me in

[chorus] 3x
