Look into the mirror
Are you scared of what you see?
Tell me how can you stand yourself
When you've been lyin' and cheatin' me?
You took the last of all my money
Took the shirt right off my back
The one thing I know you never had

Well it's alright, alright
You got the best of me
You know it's alright, alright
You're the devil's company
Well it's alright, alright
Done everything I can
No way you'll ever understand
AT LEAST I'M FREE

Oh, at least I'm free

There's all kinds of people
Who'll do their best to eat you up
I thought that you were different
Guess I hadn't thought enough
I hope your dreams get stolen
And those you thought were your "best friends"
Turn around you lose your faith again

Well it's alright, alright
You got the best of me
You know it's alright, alright
You're the devil's company
Well it's alright, alright
Done everything I can
No way you'll ever understand
AT LEAST I'M FREE

At least I'm free
At least I'm free
I'm free
I'm free
So free

Well it's alright, alright
You got the best of me
You know it's alright, alright
You're the devil's company
Well it's alright, alright
Done everything I can
No way you'll ever understand
Well it's alright (right, right)
Well it's alright, alright
Done everything I can
No way you'll ever understand
AT LEAST I'M FREE

I'm so free!
(I'm so free...yeah)
At least I'm free

At least I'm free baby

I don't have to go back no more!

At least I'm free!
