Oh, feel like a train

Set it up, tear it down
Another show to go, another town
Another place, another face
Another crowd of people, tank of diesel

Flying J truck stop
35 guys, a rolling jukebox
Gotta rock, can't stop
Gonna keep on pushing through the Rockies
Nothing's gonna stop me

Feeling like a train, pulling at the strain
Always got an uphill track with the world on my back
Pouring on the coal, feel a little old
Gotta suck it up, gotta be strong
Gotta be tough, gotta move on, on, on, on
It's all I've ever known, feeling like a train, feeling like a train

Tick tock, time flies
Another year in gear passing by
Another song, another station
Back and forth across the nation

Some day, some way
Gonna jump these tracks and never look back
Gonna find me one tomorrow
With my dead hand on the throttle

Feeling like a train, pulling at the strain
Always got an uphill track with the world on my back
Pouring on the coal, feel a little old
Gotta suck it up, gotta be strong
Gotta be tough, gotta move on, on, on, on
It's all I've ever known, feeling like a train

Feeling like a train, pulling at the strain
Always got an uphill track with the world on my back
Pouring on the coal, feel a little old

Gotta suck it up, gotta be strong
Gotta be tough, gotta move on, on, on, on
It's all I've ever known, feeling like a train, feeling like a
train

Feeling like a train
Feeling like a train
Feeling like a train
Feeling like a train
