I wear this cross 'cause I believe
He shed His precious blood so I'd be saved
And daddy had to gold one just like me
But when he died he wore it to his grave
I wear this cross 'cause I believe
He shed His precious blood so I'd be saved
And daddy had a gold one just like me
But when he died he wore it to his grave

He said, ?Don't you cry, son
'Cause in the long run we'll all be together again?

'Cause we're all God's children
Sinners tryin' to make it to the light
Ain't no easy livin' so hold on to one another
We're all sisters, we're all brothers
Just tryin' to find our way back home
You know we can't do it alone
No, no, no, no, no

Now I see the world through my child's eyes
And I wonder where it's all gonna go
Things are hard, these are troubled times
You know the devil's always tryin' to steal your soul

And the older I get, the more I see that
More love is always what we need

'Cause we're all God's children
Sinners tryin' to make it to the light
There ain't no easy livin' so hold on to one another
We're all sisters, we're all brothers
Jut tryin' to find our way back home

And we can't do it alone
And no one can be that strong
We can't make it on our own
Oh, we can't do it alone

'Cause we're all God's children
Sinners tryin' to make it to the light

There ain't no easy livin' so hold on to one another
We're all sisters, we're all brothers
Just tryin' to find our way back home
And we can't do it alone

No, no, we can't do it alone, alone, oh
No way, no way, can't make it alone
No, no, no, no, no, no, no
(No, no, no, no, no)
No, no, no, no, no
(No, no, no, no, no)

No, no, no, no, no
No, no, no, no, no
No, no, no, no, no
No, no, no, no, no
No, no, no, no, no
