It's the same old story
You care, but you don't love me,
Though I know it, it still hurts to hear the truth.
Don't expect me to forget you
I love you, and I can't hold back the love I want to give
to you.

I know it isn't easy,
I understand you're leaving,
And I'm happy just to see you when I can.
Do you understand my reasons,
I love you, and a woman in love loves only one man.

Chorus:
Just give me love when you can
If you need me,
A woman in love will understand.
I'll give you all that I have, completely
A woman in love needs only one man.

So don't be sorry baby
I guess you think I'm crazy,
But to be there when you want me is enough.
I'm not a child, I'm a woman.
I love you, and I'll always be around when you need a
Woman's love.

So you see, it's the same old story
You care, but you don't love me.
Though I know it, it still hurts to hear the truth.
I'm no child, I'm a woman.
I love you, and I'll always be around when you need a
woman's love.

Chorus

Ya, ya, ya
