hoo-oo, haa-ah (etc)

When will I see you again  
When will we share precious moments  
Will I have to wait forever  
Or will I have to suffer and cry the whole night through

When will I see you again  
When will our hearts beat together  
Are we in love or just friends  
Is this my beginning or is this the end  
When will I see you again

Are we in love or just friends  
Is this my beginning or is this the end  
When will I see you again...
