This feels a little dangerous
I'm not the same

I feel a little dangerous
I'm not awake

This is love
and its poisoning my brain
Too much love
and I'm liking how it hurts

(spanish)

Theres no telling what I'll do, just for you
I could tear at my own flesh, I'd kill too

You're my love
and you're poisoning my veins
Too much love
I wont stop until it burns

(spanish)

Theres no telling what I'd do
Just for you
I could tear at my own flesh
I'd kill you

This is love (2x)

(spanish)

This is love (2x)
