Just smile for me and let the day begin  
You are the sunshine that lights my heat within  
I'm sure that you're an angel in disguise  
Come take my hand and together we will rise  
On the wings of love  
Up and above the clouds  
The only way to fly  
Is on the wings of love  
On the wings of love  
Only the two of us  
Together flying high  
Flying high  
Upon the wings of love  
You look at me and I begin to melt  
Just like the snow when a ray of sun is felt  
I'm crazy bout ya baby can't you see  
I'd be delighted if you could come with me  
On the wings of love  
Up and above the clouds  
The only way to fly  
Is on the wings of love  
On the wings of love  
Only the two of us  
Together flying high  
Flying high  
Upon the wings of love  
Yes you belong to me  
I'm yours exclusively  
Right now we live and breathe  
Each other inseparable it seems,  
We're flowing like a stream  
Running free flowing  
On the wings of love  
On the wings of love  
Up and above the clouds  
The only way to fly  
Is on the wings of love  
On the wings of love  
Only the two of us  
Together flying high  
Together flying high

On the wings of love  
Up and above the clouds  
The only way to fly  
Is on the wings of love  
On the wings of love  
Only the two of us  
Together flying high  
Together flying high  
Upon the wings of love
