In the year 2525
If man is still alive
If woman can survive
They may find
In the year 3535
Ain't gonna need to tell the truth, tell no lies
Everything you think, do, and say
Is in the pill you took today

In the year 4545
Ain't gonna need your teeth, won't need your eyes
You won't find a thing to chew
Nobody's gonna look at you

In the year 5555
Your arms are hanging limp at your sides
Your legs got nothing to do
Some machine is doing that for you

In the year 6565
Ain't gonna need no husband, won't need no wife
You'll pick your son, pick your daughter too
From the bottom of a long glass tube' Whooooa

In the year 7510
If God's a-comin' he ought to make it by then
Maybe he'll look around himself and say
Guess it's time for the Judgement day

In the year 8510
God is gonna shake his mighty head then
He'll either say I'm pleased where man has been
Or tear it down and start again

In the year 9595
I'm kinda wondering if man is gonna be alive
He's taken everything this old earth can give
And he ain't put back nothing

Now it's been 10,000 years
Man has cried a billion tears

For what he never knew
Now man's reign is through
But through eternal night
The twinkling of starlight
So very far away
Maybe it's only yesterday

In the year 2525
If man is still alive
If woman can survive
They may thrive
In the year 3535
Ain't gonna need to tell the truth, tell no lies
Everything you think, do or say
Is in the pill you took today(fading...)
