I woke up today in London  
As the plane was touchin' down  
And all I could think about was Monday  
Maybe I'd be back around  
If this keeps me away much longer  
I don't know what I will do  
You've got to understand it's a hard life  
That I'm goin' through  
And when the night falls in around me  
And I don't think I'll make it through  
I'll use your light to guide the way  
'Cause all I think about is you

Well L.A.'s gettin' kinda crazy  
And New York's gettin' kinda cold  
I keep my head from gettin lazy.  
I just can't wait to get back home  
And all these days I spend away  
I'll make up for this I swear

I need your love to hold me up  
When it's all to much to bear  
And when the night falls in around me  
And I don't think I'll make it through  
I'll use your light to guide the way  
'Cause all I think about is you

And all these days I spend away  
I'll make up for this I swear  
I need your love to hold me up  
When it's all to much to bear  
And when the night falls in around me  
All I don't think I'll make it through  
I'll use your light to guide the way  
'Cause all I think is you
