I'm about to be on the floor again,  
Surely you're gonna find me here

I'm about to sleep until the end of time;  
Drug I take won't wake my fear right now

I'm passing away onto the better life;  
I'm passing away onto the better!

I'm about to see just how far I can fly;  
Surely you're gonna break my fall

I'm about to run as fast as I can,  
Head along into that wall

It's Time  
I'm passing away onto the better life;  
I'm passing away onto the better!

On to the better life;  
On to the better...

I'm about to be on the floor again,  
Surely you're gonna find me here

I'm about to sleep until the end of time;  
The drug I take won't wake my fear right now

I'm passing away onto the better life;  
I'm passing away onto the better!

I'm passing away onto the better life;  
I'm passing away onto the better!

On to the better.
