Beyond the boundaries of your city's lights
stand the Heroes waiting for your cries
so many times you did not bring this on yourself
when that moment finally comes
I'll be there to Help...

On that day
when you need your Brothers and Sisters to care
I'll be right here
Citizen Soldiers
holding the Light for the ones that we Guide from the
Dark of Despair
Standing on Guard for the ones that We've Sheltered
We'll always be ready
Cuz' We will always be There...

From in we hear the people crying in the streets
for when their starving for a meal to eat
for when they simply need a place to make their beds
right here underneath My Wing
you can rest your head

On that day
when you need your Brothers and Sisters to care
I'll be right here
Citizen Soldiers
holding the Light for the ones that we Guide from the
Dark of Despair
Standing on Guard for the ones that We've Sheltered
We'll always be ready
Cuz' We will always be There...

Hope and Pray
that you never need Me
but rest assured
I will not let you down
I walk beside you
but you may not see Me
the strongest among you
may not wear a Crown...

On that day

when you need your Brothers and Sisters to care
I'll be right here

On that day
when you don't have the strength for the burden you
Bear
I'll be right here...

Citizen Soldiers
holding the light for the ones that we guide from the
Dark of Despair
Standing on Guard for the ones that We've Sheltered
We'll always be ready
Cause We will always be
There...
