Don't tell me what to think
Cause I don't care this time
Don't tell me what you believe
Cause you won't be there
To catch me when I fall
But you'll need me when I'm not here at all
Miss me when I'm gone again, yeah

I'm going down in flames
I'm falling into this again, yeah
I'm going down in flames
I'm falling into this again

Don't tell me how life is
Cause I don't really want to know
Don't tell me how this game ends
Cause we'll just see how it goes
Catch me when I fall
Or you'll need me when I'm not here at all
Miss me when I'm gone again, yeah
I'm going down in flames
I'm falling into this again, yeah
I'm going down in flames
I'm falling into this again, yeah

Now, I'm all the way down here
I'm falling
I'm all the way down here
I'm falling down again
I'm falling down
I'm falling down
I'm falling down

I'm going down in flames
I'm falling into this again,
I'm going down in flames
I'm falling into this again

Now, I'm all the way down here
I'm falling
All the way
All the way down here

IÂ'm falling down again now IÂ'm falling down
