There's so much that I would say
If I could see you one last time.
But now I can't
cause you're not here
But you're Always on my mind.
When I look up And you're not there
When I lie awake at night
All these things I ask myself
I don't know why.

Chorus

(When it's the first time)
When it's the first time
That you'll never see someone again
(When it's the last time)
When it's the last time
You weren't ready for it to end.
(When a light leavaes you)
When a light leaves you
Standing alone there in the dark.
(It's never easy) They're never easy
But sometimes Goodbyes are so hard.
(They're so hard)

I look ahead, but can't move on
I look back but I can't stay.
And I keep trying to be strong
But this pain, it won't go away.
And I hope this will heal in time
Cause I can't go on like this.
And right now, I would give my life
For one last kiss.

Chorus

(When it's the first time)
When it's the first time
That you'll never see someone again
(When it's the last time)
When it's the last time
You weren't ready for it to end.

(When a light leaves you)
When a light leaves you
Standing alone there in the dark.
(It's never easy) They're never easy
But sometimes Goodbyes are so hard.
(They're so hard)

You'll be there on my mind
Standing in the sunshine.
oh oh oh

Chorus

(When it's the first time)
When it's the first time
That you'll never see someone again
(When it's the last time)
When it's the last time
You weren't ready for it to end.
(When a light leaves you)
When a light leaves you
Standing alone there in the dark.
(It's never easy) They're never easy
But sometimes Goodbyes are so hard.
(They're so hard)
