Looking back at the beginning of this
And how life was
Just you and me and love and all of our friends
Living life like an ocean

Now the currents slowly pulling me down
It's getting harder to breath
It won't be too long and I'll be going under
Can you save me from this

It's not my time,
I'm not going
There's a fear in me
It's not showing
This could be the end of me
And everything I know
Oh, I won't go

I look ahead to all the plans that we made
And the dreams that we had
I'm in a world that tries to take them away
Oh, but I'm taking them back
All this time I've just been to blind to understand
What should matter to me
My friend, this life we live
Is not what we have, it's what we believe

It's not my time
I'm not going
There's a fear in me
It's not showing
This could be the end of me
And everything I know
Oh, It's not my time
I'm not going
There's a fear in me
Now I know that
This could be the end of me
And everything I know
Oh, I won't go
I won't go

It might be more than you believe
It might be something you can't see

It's not my time
I'm not going
There's a fear in me
It's not showing
This could be the end of me
And everything I know
It's not my time
I'm not going
There's a will in me
Now it's gonna show
This could be the end of me
And everything I know
I won't go

There might be more than you believe
There might be more than you can see

It's not my time
I'm not going
There's a fear in me
It's not showing
This could be the end of me
And everything I know
It's not my time
I'm not going
There's a will in me
Now I know it
This could be the end of me
And everything I know
I won't go
I won't go!
No I woosoon't gooooo down!
