He spends his nights in california
Watching the stars on the big screen
Then he lies awake and he wonders
Why can't that be me?
Cause in his life he's filled with all these good
intentions
He's left a lot of things he's rather not mention right
now
Just before he says good night
He looks up with a little smile at me
And he says

If I could be like that
I would give anything
Just to live one day
In those shoes
If I could be like that
What would I do?
What would I do?

She spends her days up in the North Park
Watching the people as they pass
And all she wants is just a little piece of this dream
Is that too much to ask?
With a safe home
And a warm bed
On a quiet little street
All she wants is just that something to hold on to
That's all she needs
Yeah

If I could be like that
I would give anything
Just to live one day
In those shoes
If I could be like that
What would I do?
What would I do?

(Vocal solo)

If I could be like that

I would give anything
Just to live one day
In those shoes
If I could be like that
What would I do?
What would I do?
