Looking back of the beginning of this  
And how life was  
Just you and me and love and all of our friends  
Living life like an ocean  
But now the current's only pulling me down  
It's getting harder to breathe  
It won't be too long and I'll be going under  
Can you save me from this?

'Cause it's not my time I'm not going  
There's a fear in me it's not showing  
This could be the end of me  
And everything I know  
Ooo but I won't go

I look ahead to all the plans that we made  
And the dreams that we had  
I'm in a world that tries to take them away  
Oh but I'm taking them back  
'Cause all this time I've just been too blind to  
understand  
What should matter to me  
My friend, this life we live is not what we have  
It's what we believe

And it's not my time I'm not going  
There's a fear in me it's not showing  
This could be the end of me  
And everything I know  
But it's not my time I'm not going  
There's a will in me and now I know that  
This could be the end of me  
And everything I know  
Ooo but I won't go  
I won't go

There might be more than you believe  
(There might be more than you believe)  
There might be more than you can see

But it's not my time I'm not going  
There's a fear in me it's not showing

This could be the end of me  
And everything I know  
But it's not my time I'm not going  
There's a will in me and now it's gonna show  
This could be the end of me  
And everything I know  
Ooohh

There might be more than you believe  
(There might be more than you believe)  
There might be more than you can see

But I won't go  
And no, I won't go down  
Yeah
