3 Doors Down

Better Life

(lyrics by arnold)

(music by roberts, arnold, harrell & henderson)

Im about to be on the floor  
Again, surely youre gonna  
Find me here  
Im about to sleep until the end  
Of time, drug I take gonna wake  
My fear right now  
Im passing away on to the  
Better life  
Im passing away on  
To the better  
Im about to see just how far i  
Can fly, surely your gonna  
Break my fall  
Im about to run as fast as i  
Can, head long into that wall  
This time  
Im passing away on to the  
Better life

Im passing away on  
To the better  
On to the better life  
On to the better  
Im about to be on the floor  
Again, surely youre gonna  
Find me here  
Im about to sleep until the  
End of time, drug I take  
Gonna wake my  
Fear right now  
Im passing away on to the  
Better life  
Im passing away on  
To the better  
Im passing away on to the  
Better life  
Im passing away on

To the better
