Breathe in right away  
Nothing seems to fill this place  
I need this every time  
Take your lies, get off my case

Some day I will find  
A love that flows through me like this  
And this will fall away  
This will fall away

You're getting closer  
To pushing me off of life's little edge  
'Cause I'm a loser  
And sooner or later you know I'll be dead

You're getting closer  
You're holding the rope and I'm taking the fall  
'Cause I'm a loser  
I'm a loser, yeah

This is getting old  
I can't break these chains that I hold  
My body's growing cold  
There's nothing left of this mind or my soul

Addiction needs a pacifier  
The buzz of this poison is taking me higher

And this will fall away  
This will fall away

You're getting closer  
To pushing me off of life's little edge  
'Cause I'm a loser  
And sooner or later you know I'll be dead

You're getting closer  
You're holding the rope and I'm taking the fall  
'Cause I'm a loser  
Well I'm a loser

You're getting closer

To pushing me off of life's little edge  
'Cause I'm a loser  
And sooner or later you know I'll be dead

You're getting closer  
You're holding the rope and I'm taking the fall  
'Cause I'm a loser

You're getting closer  
To pushing me off of life's little edge  
'Cause I'm a loser  
And sooner or later you know I'll be dead

You're getting closer  
You're holding the rope and I'm taking the fall  
'Cause I'm a loser
