Cloud in my mind,
Trouble my thoughts.
Your silence is beauty,
But your beauty is lost.
There's a sandy man hidden.
You seven times think
That you're very tired and ridden,
But you never once blink.

There's a man in my mind,
Kickin' in the walls.
Trailin' my innocence,
Paralyzing all my thoughts.

Got a wide eyed view
From a chemical thrill,
Set in the pace of time
And prowlin' the killin' field.
Tracer from far away
To this life in my empty cell.
It seems life is just a lie
But there's still the lie to tell.

There's a man in my mind.
Kickin' in the walls.
Trailin' my innocence,
Paralyzing all my thoughts.

There's a man in my mind.
Kickin' in the walls.
Trailin' my innocence,
Paralyzing all my thoughts.

There's man in my mind
There's a man.
The man in mine
