Your stuck on a chain  
And your toeing a lie  
Seems like every time that you catch up  
You only fall behind

And your trapped inside this world  
You made yourself  
But that's not the world I live in  
This is not the life for me  
'Cause my world is bigger than your problems  
And it's bigger than me

That's not the world I live in  
This is not the life for me  
'Cause my world is bigger than your problems  
And it's bigger than me

There is always someone to blame  
For the things you do yourself  
You think that everything that's going wrong  
Is because of someone else

And your trapped inside this world  
You made yourself  
That's not the world I live in  
This is not the life for me  
'Cause my world is bigger than your problems  
And it's bigger than me

It's not the world I live in  
This is not the life for me  
'Cause my world is bigger than your problems  
And it's bigger than me  
And it's bigger than me

'Cause I'm lonely outside  
And I'll look on in

And that's not the world I live in  
This is not the life for me  
'Cause my world is bigger than your problems  
And it's bigger than me

It's not the world I live in  
This is not the life for me  
'Cause my world is bigger than your problems  
And it's bigger than me

'Cause my world is bigger than your problems  
And it's bigger than me
