It's gonna rain some days I know  
And things are gonna hurt sometimes that's for sure  
But I won't get turned around 'cause I keep moving on  
I think my mind plays tricks on me  
'Cause sometimes what I get ain't what I see  
I just turn it upside down and I keep moving on

I'm gonna race for the morning sun  
I can't wait for the day that's on it's way  
I'm gonna race for the morning sun  
And it's gonna shine on me  
Oh, it's gonna shine

I'm gonna take everything I want  
And won't get lost in what I don't  
I just hide it all inside and I keep moving on

I'm gonna race for the morning sun

I can't wait for the day that's on it's way  
I gonna race for the morning sun  
And it's gonna shine on me

Oh, it's gonna shine a light right down on me  
And I swear I'll find where I wanna be  
And I'll live the day like it's the only one  
I'm gonna race for the sun

Shine a light right down on me  
And I swear I'll find where I wanna be  
And I'll live the day like it's the only one  
I'm gonna race for the sun

Shine a light right down on me  
And I swear I'll find where I wanna be  
And I'll live the day like it's the only one  
I'm gonna race  
I'm gonna race for the sun
