There's a difference than spending time with me
And killing time while im there
Too many ppl and too many things
And it makes me feel like hell
You're half gone as I can see
And all of this she says to me

[Chorus]

There's too many questions
And too many strings
And it wont keep there selves tied
I'm on a rollercoaster ride
It Feels like im lying next to a ghost at night

I don't know why I gave you my heart
Cause sometimes it feels so wrong
But in spite of all this weather
I know why we are together
And I swear right now
That I'm right where I belong
I know I get a little bit crazy
But I never done you no wrong
Well I get distracted and carried away
And It's been this way too long

But I don't know what you need from me
Cause all I know is what I can see
There's too many questions
And too many strings
And it wont keep there selves tied
I'm on a rollercoaster ride
It Feels like im lying next to a ghost at night

I don't know why I gave you my heart
Cause sometimes it feels so wrong
But inspite of all this weather
I know why we are together
And I swear right now
That I'm right where I belong

Im right where I belong
Go on, Play it for me Son

[Chorus]

There's too many questions
And too many strings
And it wont keep there selves tied
I'm on a rollercoaster ride
It Feels like im lying next to a ghost at night

I don't know why I gave you my heart
Cause sometimes it feels so wrong
But inspite of all this weather
I know why we are together
And I swear right now
That I'm right where I belong
