Do you ever think about runnin' away  
'Cause I was thinkin' about leavin' today?  
We'll follow forever where our hearts wanna go  
Maybe we'll live somewhere where nobody knows our  
names  
Then things might change for the good

I wanna be somewhere so far away  
To lie under the night at the end of another good day  
I can't tell you how long we'll be gone  
But as long as we're together then forever is never too  
long  
Too long, oh no

Do you ever think about my comin' back?  
Hoppin' on a train and we'll burn up the tracks  
We'll jump off somewhere that we don't know how to  
say  
Maybe hitch a ride from someone who can tell us the  
way  
To where these things might change for the good

I wanna be somewhere so far away  
To lie under the night at the end of another good day  
I can't tell you how long we'll be gone  
But as long as we're together then forever is never too  
Oh, forever is never too long

Not with you right here by me  
Baby maybe we'll just see, yeah  
Where this road will lead for us

I wanna be somewhere so far away  
To lie under the night at the end of another good day  
I can't tell you how long we'll be gone  
But as long as we're together then forever is never too

I wanna be somewhere so far away  
To lie under the night at the end of another good day  
I can't tell you how long we'll be gone  
But as long as we're together then forever is never too  
Forever is never too long
