I took a walk around the world  
To ease my troubled mind  
I left my body lying somewhere  
In the sands of time  
But I watched the world float  
To the dark side of the moon  
I feel there is nothing I can do, yeah

I watched the world float  
To the dark side of the moon  
After all I knew it had to be  
Something to do with you  
I really don't mind what happens now and then  
As long as you'll be my friend at the end

If I go crazy then will you still  
Call me Superman if I'm alive and well  
Will you be there a-holding my hand  
I'll keep you by my side  
With my superhuman might, kryptonite

You called me strong, you called me weak  
But still your secrets I will keep  
You took for granted all the times  
I never let you down

You stumbled in and bumped your head  
If not for me then you'd be dead  
I picked you up and put you back  
On solid ground

If I go crazy then will you still  
Call me Superman if I'm alive and well  
Will you be there a-holding my hand  
I'll keep you by my side  
With my superhuman might, kryptonite

If I go crazy then will you still  
Call me Superman if I'm alive and well  
Will you be there holding my hand  
I'll keep you by my side  
With my superhuman might, kryptonite, yeah

If I go crazy then will you still  
Call me Superman if I'm alive and well  
Will you be there a-holding my hand  
I'll keep you by my side  
With my superhuman might, kryptonite
