She said, "Life's a lot to think about sometimes  
When you're living in between the lines  
And all the stars are sparkling, shine everyday"

He said, "Life's so hard to move in sometimes  
When it feels like I'm towin' the line  
And no one even cares to ask me, why I feel this way"

And I know you feel helpless now  
And I know you feel alone  
That's the same road  
And the same road that I'm on, yeah

He said, "Life's a lot to think about sometimes  
When you keep it all between the lines  
And everything I want and I want to find one of these  
days" yeah

But what you thought was real in life  
Oh, has somehow steered you wrong  
And now you just keep drivin'  
Tryin' to find out where you could belong

And I know you feel helpless now  
And I know you feel alone  
Well that's the same road  
And the same road that I'm on, yeah, yeah, yeah, hey,  
hey

What you thought was real in life  
Has somehow steered you wrong  
And now you just keep drivin'  
Tryin' to find where you belong

I know you feel helpless now  
And I know you feel alone  
That's the same road  
And the same road that I'm on, yeah, yeah, yeah, hey,  
hey

Oh no, no, no, no, no, no  
Oh no, no, no

Oh no, no, no, no
