This is the story of a girl
Who cried a river and drowned the whole world
And while she looks so sad in photographs
I absolutely love her
When she smiles

How many days in a year
She woke up with hope but she only found tears?
I can be so insincere
Making the promises never for real
As long as she stands there waiting
Wearing the holes in the souls of her shoes
How many days disappear?
You look in the mirror so how do you choose?

And your clothes never wear
As well the next day
Your hair never falls in quite the same way
You never seem to run out of things to say

This is the story of a girl
And while she looks so sad in photographs
I absolutely love her
When she smiles

How many lovers would stay?
Just to put up with this shit day after day
How did we wind up this way?
Watching our mouths for the words that we say
As long as we stand here waiting
Wearing the clothes on the souls of our shoes
How do we get there today?
When we're walking too far for the price of her shoes

And the clothes that you wear

Look swell the next day
Your hair never falls in quite the same way
You never seem to run out of things to say

This is the story of a girl
Who cried a river and drowned the whole world

And while she looks so sad in photographs
I absolutely love her
When she smiles

And the clothes that you wear
Look swell the next day
Your hair never falls in quite the same way
You never seem to run out of things to say

This is the story of a girl
Who cried a river and drowned the whole world
And while she looks so sad in photographs
I absolutely love her

This is the story of a girl
Her pretty face she hid from the world
And while she looks so sad and lonely there
I absolutely love her

This is the story of a girl
Who cried a river and drowned the whole world
And while she looks so sad in photographs
I absolutely love her
When she smiles
When she smiles!
