"Ticket To Hea"

I'm walking a wire, it feel likes a thousand ways I could
fall
To want is to buy, but to live is to die and you can't take
it all
And everything is said and done I won't have one thing
left
What happened to everything that I've ever known

All he gave me was this ticket to heaven, that ticket to
heaven,
said to lie in the bed that you make
Now I'm restless and I'm running from everything, I'm
running from everything,
I'm afraid it's a little too late

It's all voices lie, innocents die, now ain't that a shame
And all your dreams, and all your money they don't
mean a thing
When everything is said and done, you won't have one
thing left
What happened to everything that I've ever known

All he gave me was this ticket to heaven, that ticket to
heaven,
Said to lie in the bed that you make
Now I'm restless and I'm running from everything, I'm
running from everything,
I'm afraid it's a little too late
It's a little too late

All he gave me was this ticket to heaven, that ticket to
heaven,
Said to lie in the bed that you make
Now I'm restless and I'm running from everything, I'm
running from everything,
I'm afraid it's a little too late
