Another day, in some other place
Can someone please remind me where the hell we are
Another night i feel it come to life
How could this go so far?

The life I love is the one I lead
It get's crazy but thats fine by me

Cause I dont see the day
When I run all night
But I've got to say theres no other way
Cause I'm having the time of my life

The words you say bring back memories
of so many days that have gone
I look back and smile at those forgotten miles
and laugh at all that went wrong

What I am is what I want
And I'll be this way 'til I'm dead and gone

Cause I dont see the day
When I run all night
But I've got to say theres no other way
Cause I'm having the time of my life

For me, that's all I need
To live the way
To live the way I please

The life I love is the one I lead
It get's crazy but thats fine by me

Cause I dont see the day
When I run all night
But I've got to say theres no other way
Cause I'm having the time of my life

There some things that I can't make right
And it's been so long since I've been home
But I'm having the time of my life
