You're not what I need anymore
Forget those games you're playin'
You're not what I need anymore
I can't hear what you're saying

If you won't listen to me
How can you tell me how I feel?
All along I told you
That I cannot feel the pain

Who are you to tell me
I'm not good enough?
All I've ever wanted was a place
inside of you

Why should I hear what you say any longer?
When you don't even know where I've been
I feel something in me getting stronger
And I won't get kicked around again

If you won't listen to me
How can you tell me how I feel?

All along I told you
That I cannot feel the pain

Who are you to tell me
I'm not good enough?
All I've ever wanted was a place
inside of you

If you won't listen to me
How can you tell me how I feel?
All along I told you
That I cannot feel the pain

Who are you to tell me
I'm not good enough?
All I've ever wanted was a place
inside of you

You're not what I need anymore!
