I think I've walked too close to love  
And now I'm falling in  
There's so many things this weary soul can't take  
Maybe you just caught me by surprise  
The first time that I looked into your eyes

There's a life inside of me  
That I can feel again  
It's the only thing that takes me  
Where I've never been  
I don't care if I lost everything that I have known  
Cause it don't matter where I lay my head tonight  
Your arms feel like home  
You feel like home

This life aint the fairy tale we both thought it would be  
But i can see your smiling face as it's staring back at  
me  
I know we both see these changes now  
I know we both understand somehow  
There's a life inside of me  
That I can feel again  
It's the only thing that takes me  
Where I've never been  
I don't care if I lost everything that I have known  
It don't matter where I lay my head tonight  
Your arms feel like home  
They feel like home  
(hold on, you're home to me)

There's a life inside of me  
That I can feel again  
It's the only thing that takes me  
Where I've never been  
I don't care if I lost everything that I have known  
It don't matter where I lay my head tonight  
Your arms feel like home  
They feel like home  
They feel like home
