Anything for you  
Turn my castles blue

Turn my bones to sand  
Just to see you  
I'll give you anything  
I'll give you anything

Jackie O with the top down open  
All the words to what's unspoken  
Put together everything that's broken

Just to see you  
I'll give you anything (x3)

Jackie O with the top down open  
A king's horse for what's been broken  
I'll bring back even what's been unspoken

Just to see you

I'll give you anything  
I'll give you anything
