Can I graduate
Can I graduate
Can I look in faces that I meet
Can I get my punk ass off the street
I've been living on for so long
Can I graduate
To the bastard talking down to me
Your whipping boy calamity
Cross your fingers, I'm going to knock it all down
Can I graduate
Echo fading we can't let go
She goes walking by in slow mo'
Sell your heart out for a buck
Go on fade out before I get stuck
Talking to somebody like you
Do you live the days you go through
Will this song live on long after we do

Can I graduate
Can I look in faces that I meet
Can I get my punk ass off the street
Won't die on the vine I want to knock it all down
Can I graduate
Echo fading, candle blow
Did you flash out long ago
Cross my fingers, I don't know
Someone poked you down below
Can I graduate
Can I graduate
Can I graduate
Can I graduate
Can I graduate
Can I get my punk ass off the street
Can I look in faces that I meet
I'm not waiting here for you to die
Will this song live on long after we do
