I'm only pretty sure that I can't take anymore
Before you take a swing
I wonder what are we fighting for
When I say out loud
I wanna get out of this
I wonder is there anything
I'm gonna miss

I wonder how it's gonna to be
When you don't know me
How's it gonna be
When you're sure I'm not there
How's it gonna be
When there's no one there to talk to
Between you and me
Cause I don't care
How's it gonna be
How's it gonna be

Where we used to laugh
There's a shouting match
Sharp as a thumbnail scratch
A silence I can't ignore
Like the hammock by the doorway we spent time in
tha swings empty
Don't see lightning like last fall

When it was always about to hit me

I wonder how's it gonna be
When it goes down
How's it gonna be
When you're not around
How's it gonna be
When you found out there was nothing
Between you and me
Cause I don't care
How's it gonna be

How's it gonna be
When you don't know me anymore
And how's it gonn be?

Want to get myself back in again
The soft dive of oblivion
I want to taste the salt of your skin
The soft dive of oblivion... oblivion
How's it going to be
When you don't know me anymore
How's it going to be
How's it going to be

How's it going to be
