You may find me just a little strange
I like dancin barefoot in the pourin rain
My mind is racin at the speed of light
I'll dance around you like a satellite

Bridge:
I'm reckless,
You're speechless

Chorus:
Scream, shout,
I know that now
I feel a need to stand out in the crowd
Nothin's wrong with me!
Scream, shout
I stand my ground
Nothin in the world is gonna keep me down
Nothin's wrong with me!

I say some things that might not come out right
I say them loud and proud and impolite

Chorus

I can smile,
Like anythin
Cause I know that nothing's wrong with me
(Wrong with me!)
If you ask about my attitude
I'll say "come on!"
Just...get a clue!

Chorus
Nothing's wrong with me! (5X)
