Hard hitting, you get depressed,
Once-bitten, and twice the mess.
No future; and that's for sure.
So stop trying and pray for cures.

Why bother? We're all the same.
We're just pleased in different ways.
Don't judge me quite so fast;
You hide the porn and the whiskey glass.

What a lovely day, can hardly feel my face.
I'm not completely sure if I can take much more now.

(im bored)

So, where would you rather be?

No living - my system's crashed
God give me an autograph.
No future; that's for sure.
So stop trying and pray for cures.

What a lovely day, can hardly feel my face.
I'm not completely sure
If I can take much more now.

(im bored)

where would you rather be?
So, where would you rather be?
bored
Where would you rather be?
So, Where would you rather be?
Where would you rather be?

What a lovely day, I can hardly feel my face.
I'm not completely sure that I can take much more -
What a lovely day, I can hardly feel my face.
I'm not completely sure that I can take much more now.

(And im bored)

where would you rather be?
So, bored
Where would you rather be
So, Where would you rather be
So, Where youlr you rather be
Bored
Where would you rather be
So, where yould you rather be
Bored!
