Wannabe  
Yeah you  
You're just a wannabe  
Do you want to be like me

Dum dum dummy  
Dum dum dum

Feels like a hole inside  
Can't breathe my lungs have dried  
My heart's a bomb  
Ready to go off

A wannabe  
That's you  
A fucking wannabe  
Why do you want to be like me

You hate yourself  
But rate yourself  
As a number one

Feels like a hole inside  
Can't breathe my lungs have dried  
My heart's a bomb  
Ready to explode  
Brings out the prick in me  
Don't think it's purity  
I stick in you  
Try to tell yourself  
It ain't true
