I'm gunna say good-bye today  
Good-bye to all that's in my way  
Good-bye to every single face  
That said I couldn't win the race

Good-bye to all my old friends  
Who told me I couldn't make it  
Good-bye to my ex-girlfriend  
I knew you always faked it

I don't want to see you any more  
I'm gone, already out the door  
You'll never see my face again  
I cannot be your perfect 10

Good-Bye to all my problems  
That tried to block the way  
Good-Bye to all the troubles  
Now look at where I am today  
Can't you see I hate it here?  
Tortured day by day, year after year  
But now's my change to leave this town  
Not even you can bring me down

I'm gunna say good-bye to you  
And everyone I ever knew  
I've packed up all my belongings  
I'm moving on to greater things

I'm gunna say good-bye today  
Good-bye to all that's in my way  
Good-bye to every single face  
That said I couldn't win the race

Good-bye  
Good-bye  
Good-bye  
Good-bye
