Even a double espresso couldn't keep me awake long
enough to deal with the corporate infection facing kids
today.

"Mommy I wanna be a GAP kid"

but what will happen when everybody's at the mall
working at Abercrombie and Fitch, I wont feel sorry for
you,

all comfy in a world that isn't real.

I doubt "god spent a little more time"

on any of the N'sync members

because he had enough time to make 4 bands like

them in the same September,

or didn't you think we'd remember?
