Put that bag over your head
Bend over on the bed
Now tell me that you've benn bad

Lock away your uptight soul
Let me try that other hole
Let's rock and roll

Once againt I went to far
Maybe I should stop taking all the mightful drugs
Maybe it's just a passing phase
But right now I love it so screw you and suck that dick

Lost sense of shame now
But somehow it's allright for me

It's a little tighter here
What's on your Face? Cum or tears?
Fuck that, let's try something else

Maybe a phone could fit that hole
Let's rock and roll

Once againt I went to far
Maybe I should stop taking all the mightful drugs
Maybe it's just a passing phase
But right now I love it so screw you and suck that dick

Puke on my dick now
Punch my balls hard now
Scratch your name on my back now
Shit in my mouth now
