Our melodies are fading while we sing,  
I'm almost all alone cuz I won't let you go!  
In such a perfect circle we come home,  
I'm almost all alone cuz I won't let you go!

Catch my heart when it's about to fall  
Make me feel like I'm something special

Chorus

Tonight, tonight, tonight, tonight...  
Tonight...

The melodies are fading while we sing,  
I'm almost all alone cuz I won't let you go!  
I lay here by your side as long as you...  
... want me to stay - so don't let me go!

Take your hands and hold my broken soul  
Make me feel like I'm something special  
(Something special)

Chorus

Tonight (Let's stop breathing)  
Tonight (I'm all alone now)  
Tonight (I won't come down)  
Tonight (I'm all alone)

Tonight (Let's stop breathing)  
Tonight (I'm all alone now)  
Tonight (I won't come down)  
Tonight (I'm all alone)  
Tonight...

Catch my life when it's about to fall  
Make me feel like I'm something special

Chorus

Tonight (Let's stop breathing)  
Tonight (I'm all alone now)

Tonight (I won't come down)  
Tonight (I'm all alone)

Tonight (Let's stop breathing)  
Tonight (I'm all alone now)  
Tonight (I won't come down)  
Tonight (I'm all alone)  
Tonight...

Yesterday, we cursed today!  
But tomorrow, we're still the same!
