Summer is gone and winter is coming soon again  
Why oh why??  
I've got a red nose and everyone is making fun of me  
I look like Rudolf the reindeer

Winter, oh winter  
Wouldn't be so bad if it wouldn't be so cold

Snow sucks cuz you can't make anything with it

except a snowman  
I'm wearing 4 underpants cuz it's so fucking cold  
And glufs for my hands

Winter, oh winter  
Wouldn't be so bad if it wouldn't be so cold  
When will the sun come out again and shine?
