Are we friends or are we lovers?  
Cus we keep on bumping into each other  
Well, you say we're friends and that is all  
But I keep on waking underneath your covers

You make me feel like I'm a noose  
Like a bike with a puncture left unused  
Well the funny thing is I don't feel so bad  
I like being ready and like being used

Every time I go out I gotta keep my cool and watch my  
step  
It's Groundhog Day when I wake up  
Cus I find I'm next to you in bed

I don't know  
I don't know  
I don't, I don't know  
I don't know

Well are we friends or lovers?  
Cus we keep on using each other

I rang you more than once this week  
And now you're scared and you can't sleep  
Well, the thought of love repulses you  
And it's all its loving you can't keep

Every time I go out I gotta keep my cool and watch my  
step  
It's Groundhog Day when I wake up  
Cus I find I'm next to you in bed

I don't know  
I don't know  
I don't, I don't know  
I don't know

Well are we friends or lovers?  
Cus we keep on using each other
